Forecast For East of England
Issued by Met Office Exeter
at 0400 on Sunday 21 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Feeling colder on Sunday with sunny spells and showers.

Today:
Freshening winds during Sunday morning, and after a bright start with sunny spells, showers will arrive from the north. Isolated hail possible. Strongest winds developing near coasts by midday. Feeling colder than recently. Winds easing inland during the evening. Maximum temperature 9 deg C (48 deg F).

Tonight:
A cold night, with showers continuing but turning lighter and less frequent. Longest overnight clear spells likely inland with a ground frost later in the night away from coastal areas. Minimum temperature 3 deg C (37 deg F).

Monday:
Monday will be a chilly, bright day with sunny spells and showers, especially near coasts. Turning mainly dry through the evening as showers fade. Winds easing light by evening. Maximum temperature 9 deg C (48 deg F).

Outlook for Tuesday to Thursday:
Tuesday bright and mainly dry. Fog possible Wednesday morning with chance of rain later. Probably brightening up during Thursday with showers and freshening winds later. Temperatures near normal.
